GWM TANK 500 | NOTHING IS UNREACHABLE

REFINED LUXURY AND ASSERTIVE STRENGTH IN EQUAL MEASURE

Engineered to stand out in style with a bold front grille that blends effortlessly with the car's minimal and strength-forward design. Drive with limitless pride en route to defining success in your own way.

SEDUCTIVE AND SOPHISTICATED

More than a unique design, TANK ensures dynamic utility in both urban and off-road terrains, whilst maintaining ultimate convenience.

Electric Side Step

Sophisticated Grille + LED Split Headlamps

Electric Panoramic Sunroof

FEATURES

The ICE variant is fitted with a 3.0L Twin-Turbo Engine, delivering an impressive 348 HP / 500 Nm and propelling you from 0-100 in a mere 7.3 seconds. The TANK 500 Hybrid comes with a 2.0L Turbo engine paired with a 9-speed HAT, producing 342 HP and an increased torque of 648 N.m.

The petrol version is paired with the seamless performance of a 9-speed Automatic Transmission, while the Hybrid variant is equipped with a 9-speed HAT. Between robust petrol performance or hybrid efficiency, every moment behind the wheel promises a blend of power and precision.

INTELLIGENT TECHNOLOGY

Dominate all terrains with GWM Intelligent 4WD Technology. Offering an impressive array of drive modes coupled with a Triple Lock mechanism including Front Lock*, Rear Lock, and 4L, ensuring unparalleled control and confidence everywhere you go.

*Front Differential Lock Is optional.

Nappa Leather Seats

Experience redefined luxury with TANK 500's exquisite Nappa leather seats. Crafted with precision and care, each seat undergoes an extensive 58-step, 30-day process to preserve the natural texture and softness. Rigorously tested through 50 performance evaluations, including 2000 abrasion resistance tests and 14 days of mildew resistance testing under 40°C temperatures, our seats ensure unparalleled durability and comfort for everyone onboard.

Massage and Ventilation Seats

Tank 500 redefines in-cabin luxury and comfort, ensuring a premium travel experience for all passengers. Equipped with front and 2nd seat ventilation, which allows passengers to stay cool and relaxed regardless of outside temperatures. The front-row seats also feature an 8-point massage system, designed to cater to ultimate comfort and energization.

14.6" Infotainment & Control Display

14.6 inch touchscreen infotainment display console featuring Wireless Apple CarPlay and Android Auto compatibility. Tank 500 is packed with hi-tech functions that will take you on a thrilling yet convenient driving experience providing a comfortable drive along with intelligent connectivity for entertainment on the go. Enjoy the journey in this exceptional space, tailor-made for unforgettable memories.

EXQUISITE ELEGANCE

Experience the sensory pleasure of fine craftsmanship detailed in every aspect of the car and the luxury that can only be experienced through the highest quality materials. Enjoy the journey in this exceptional space, tailor-made for unforgettable memories.
