

## TECHNICAL SPECIFICATIONS

Model	Grade Transmission Model code	GLX	
		5MT A13ASNHLW	CVT A13ASTMHLW
<b>Dimensions and Weights</b>			
Overall length	mm	4,245	
Overall width	mm	1,670	
Overall height	mm	1,515	
Wheelbase	mm	2,550	
Ground clearance	mm	170	
Curb weight	Total kg	885	915
Gross vehicle weight (GVW)	kg	1,305	1,335
Seating capacity	persons	5	
<b>Performance</b>			
Fuel consumption* [with 14" tires (15" tires)]	liter/100km	4.8 (4.9)	
Max. speed**	km/h	172	170
Acceleration (0-100 km/h)**	sec.	12.7	14
Min. turning radius	m	4.8	
<b>Engine</b>			
Type (code)	1.2-liter 12-valve 3-cylinder DOHC MIVEC (3A92)		
Total displacement	cc	1,193	
Max. output (EEC net)	kW (PS)/rpm	57 (78)/6,000	
Max. torque (EEC net)	N-m (kg-m)/rpm	100 (10.2)/4,000	
<b>Fuel System</b>			
Fuel supply system	ECI-MULTI (Electronic Controlled Injection - Multi Point Injection)		
Fuel tank capacity	liter	42	
<b>Transmission</b>			
Type (code)	5-speed manual (F5MBD)		INVECS-III CVT (F1CJB)
<b>Steering</b>			
Type	Rack and pinion with electric power assist		
<b>Suspensions</b>			
Front	MacPherson strut with coil spring		
Rear	Torsion beam rigid		
<b>Brakes</b>			
Front	Ventilated discs		
Rear	Leading and trailing drums		
<b>Tires</b>			
Tires (front and rear)	Standard	175/65R14	
	Option	185/55R15	
Wheels (front and rear)	Standard	14" steel with center caps	
	Option	14" steel with full wheel covers / 15" alloy wheels	

\* According to internal test results using EU Combined cycle

\*\* Measured by Mitsubishi Motors Corporation

# Everything. And a little more.

1.2-liter 4-Door GLX shown with optional equipment / Cool Silver Metallic [A66]

## The compact sedan you've been waiting for.

Everything you seek in a compact sedan is here in the new Attrage. From outstanding fuel economy to easy maneuverability, it meets your highest expectations. But the new Attrage doesn't stop there. Its surprisingly roomy interior and wide-ranging amenities reach far beyond its class to enhance driving pleasure. The attractive exterior with bold sedan face and wide, stable rear is also aerodynamically shaped to enhance eco performance. The more you drive the new Attrage, the more you appreciate the little extras that make driving a joy.

**Chrome grille**

Just the right touch of elegance for a class-above compact.

**Front fog lamp**

Dynamic styling with a progressive chrome bezel.

**15-inch alloy wheel**

Refreshingly stylish wheels add an eye-catching accent.

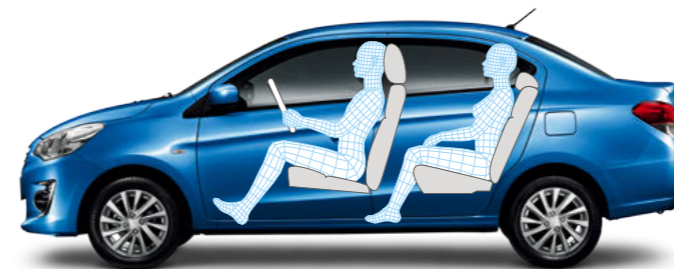

1.2-liter 4-Door GLX shown with embossed fabric seats (Ivory) and optional equipment including leather wrapped steering wheel

# Interior

## Share the refreshing comfort

Welcome to a comfortable space with roominess near the top of its class. The simple yet stylish interior surrounds you and your passengers with quality materials, smooth flowing lines and a seamless fit and finish that conveys quality craftsmanship. Soft yet supportive seating and thoughtful amenities further enhance your driving pleasure. In the new Attrage, traveling is always a relaxing and enjoyable experience.

### People-centered design

The new Attrage puts people first. Mitsubishi Motors refined every last detail to create an interior that maximizes passenger space, meets practical needs and satisfies your emotions. From two-tone color scheme to supportive headrests and ergonomic controls, it will please you and your passengers to a surprising degree. Sit back, relax and enjoy the ride.

# Amenities

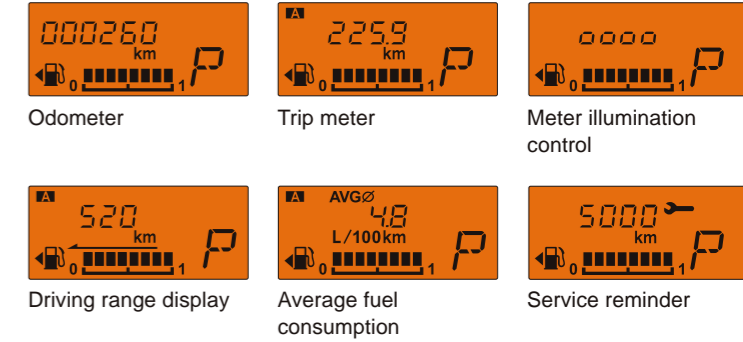

**Large trunk**  
Large and easy to load, the trunk offers a surprisingly large storage capacity of 450 liters (measured by VDA method).

**Combination meter cluster**  
The meters are large and easy to read with a tachometer to enhance your enjoyment. Brightness is adjustable.

**General-purpose monitor: Multi-information display**

**Center cupholder**  
This conveniently centered cupholder keeps large beverages within easy reach.

**Seatback pocket**  
Place your maps where you can easily find them whenever the need arises.

**Convenience hook**  
Shopping bags stay upright when hooked to hang behind the seat.

**Audio system with clock**  
This unique system includes a digital quartz clock, CD player and AM/FM radio.

**1-DIN audio with CD and AM/FM radio**  
Mount the audio system of your choice in this central compartment.

**Full auto air conditioner**  
Comfortable cabin temperatures are yours to enjoy year around.

**USB port**  
Designed for easy connection with digital audio players, etc.

**Power door mirror**  
Handy controls make it easy to achieve the right viewing angle.

**Front door pocket**  
The perfect place to keep personal items while you drive.

**Floor console cupholders**  
Keep drinks within easy reach of you and the front passenger.

**Height-adjustable driver's seat**  
Adjust the height of the driver's seat to suit your preference.

**Glove box tray**  
Perfect for sunglasses, coins and items you may need while driving.

**Glove box**  
Bulkier items like cameras stay accessible with a finger press.

# Efficiency

 **4.8** ℓ/100km\*

## Class-leading fuel efficiency

The lightweight body and smooth aerodynamics contribute to class-leading fuel efficiency, as well as smooth and stable acceleration. Traveling is more affordable, eco-friendly and enjoyable in the new Attrage.

\* When tested with models equipped with 14-inch tires. According to internal test results using EU Combined cycle.

1.2-liter 4-Door GLX shown with optional equipment / Eisen Gray Mica [A02]

## 1.2-liter DOHC 12-valve MIVEC engine

When you demand acceleration, the new Attrage responds with spirited torque and horsepower while maintaining impressive fuel economy.

## Mitsubishi Innovative Valve timing Electronic Control system (MIVEC)

Intake valve timing is continuously optimized in response to driving conditions to ensure smooth powerful response at all times.

## INVECS-III CVT

The INVECS-III (Intelligent & Innovative Vehicle Electronic Control System III) CVT wide-ratio transmission maintains optimal rpm for high performance and fuel economy. You'll enjoy smooth acceleration and deceleration, as well as efficiently selected gear ratios in all driving conditions.

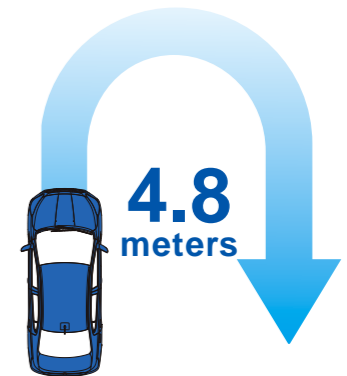

## Outstanding aerodynamic performance

The new Attrage is streamlined based on advanced computer simulation to slip through the wind with a class-leading 0.29\* Cd that lowers noise, raises fuel efficiency and enhances handling stability.

\* On models with 14-inch full wheel covers. According to internal test results.

## Lightweight body

The weight-optimized body is one of the lightest in its class, thanks to the ample use of high-tensile steel that also offers impressive strength and rigidity that contribute to safety and excellent handling.

## Minimum turning radius

An extremely tight turning radius, one of the smallest in its class, makes the new Attrage easy to maneuver through narrow city streets and crowded parking lots. Drivers of every experience level will find the new Attrage simple to handle.

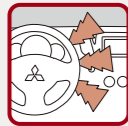

# Convenience

## Keyless entry system

The keyless entry system lets you lock or unlock the doors and trunk with the press of a keyless entry key. Two keys are provided for the convenience of couples.

## ETACS (Electronic Time and Alarm Control System)

### Lane change turn signal system

When changing lanes, you can lightly touch the turn signal lever to flash the turn signals three times. Flashing is also indicated on the instrument panel.

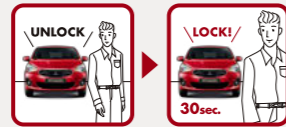

### Open door alarm

An alarm sounds automatically if you start driving while a door remains partially or fully open.

### Delayed-action power window open/close system

Even after shutting off the engine, the power windows can be opened or closed for 30 seconds (before opening the door).

### Auto door relock system\*

Within 30 seconds of pressing the unlock button from outside the vehicle, this system will automatically relock all the doors if none have been opened.

### 15-second interior light delay\*

After removing the ignition key from the cylinder, the interior light remains on for 15 seconds to allow scanning for possessions before exiting.

### Headlight auto off function

After switching off the ignition and stepping out of the car, the headlights automatically turn off to help conserve battery power.

### Auto speed adjustable wipers

In the Timing mode, the window wipers operate normally at vehicle speeds below 60km/h and faster at higher vehicle speeds.

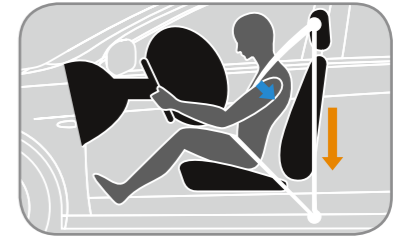

\* Available on models with keyless entry system.

# Safety

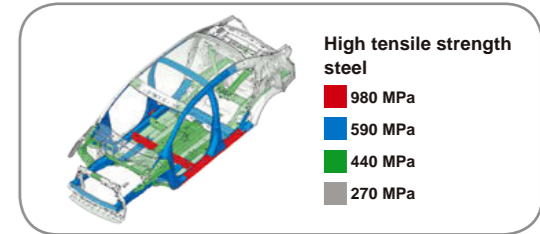

## Driver's and front passenger's airbag system

In the event of a collision, front SRS airbags activate to help protect you and the front passenger by absorbing the force of impact. (Optional for front passenger)

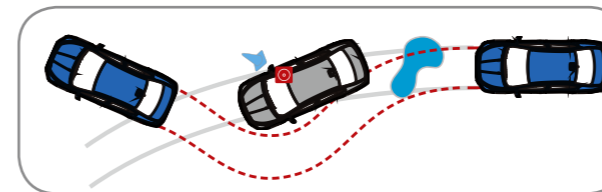

## Pretensioners

Pretensioners on the front seatbelts automatically tighten the belts in the event of a frontal collision to help restrain the driver and front passenger and reduce the force of impact when the front airbags are deployed. (Standard for driver. Optional for front passenger.)

## RISE body

To protect you and your passengers, the new Attrage features a solid RISE (Reinforced Impact Safety Evolution) body constructed of high tensile strength steel that effectively absorbs and disperses crash energy from all directions while also significantly reducing overall weight.

## 4ABS

The four-wheel anti-lock brake system helps prevent the wheels from locking up during emergency braking so you can maintain greater steering control, even on slippery roads.

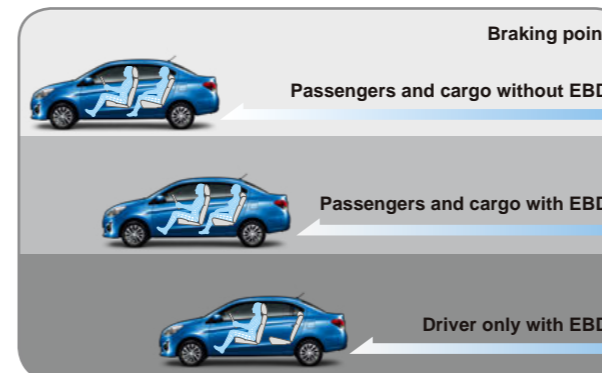

## Power windows

The driver's side window can be raised or lowered with a single touch and features an anti-trap mechanism for safety.

## LED high-mount stop lamp

An LED stop lamp is mounted in the rear window to enhance safety by clearly indicating your braking intentions to drivers behind you.

## EBD

Electronic Brake-force Distribution distributes braking force to all four wheels to enhance braking performance.

## Immobilizer

The engine can only be started when a dedicated key with matching authentication code is used. This advanced security system effectively prevents vehicle theft.

# GLX

## Key features

- 175/65R14 tires + 14" steel wheels with wheel center cap
- 175/65R14 tires + 14" steel wheels with full wheel covers (optional)
- 185/55R15 tires + 15" alloy wheels (optional)
- Front disc brakes
- Driver's SRS airbag (front passenger's airbag is optional)
- 3-point ELR seatbelts on four seats (driver's single pretensioner)
- Halogen headlamps
- Laminated green windshield
- Front power windows (optional in rear)
- Central door locking system (optional)
- Keyless entry system with two transmitters (optional)
- Unique center panel with digital quartz clock + AM/FM & CD (optional)
- 3-spoke leather wrapped steering wheel & gearshift knob (optional)
- Steering audio controls (optional)

## BODY COLOR

Eisen Gray Mica (A02)

Black Mica (X08)

White Solid (W19)

Red Metallic (P19)

Cool Silver Metallic (A66)

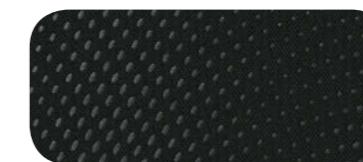

Cerulean Blue Mica (T69)
