Sheer
Driving Pleasure

THE NEW BMW X4.

BMW EfficientDynamics
Less emissions. More driving pleasure.

UNLEASH CHARACTER.

The new BMW X4 really stands out from the crowd. Its striking design makes a statement that blends lifestyle and performance. It's an outstanding combination of power and style that defies categories and holds you spellbound.

It combines two qualities that have never been offered together in this segment before: The new BMW X4 fuses the quintessential power of an X model with the aesthetics of a classic coupé. With its dynamic contours and coupé-style silhouette, it transforms every road into a stage on which it is the undisputed star of the show.

THE NEW X SYMBOL.

DAZZLING BY DESIGN.

The distinctive design of the new BMW X4 is a guaranteed head-turner. Its double round headlights and wide kidney grille define the front of the new BMW X4 and imbue it with powerful contours that exude outstanding self-confidence.

As the driver of the new BMW X4, you are always in control: its cockpit is completely geared towards the driver and enables intuitive operation. The optional full-colour BMW Head-Up Display ensures you can always keep all relevant information in view. In the rear, generous space, high-quality materials and a bench with two-seat look provide passengers with a dynamic yet comfortable ride experience.

**TAKE THE
WHEEL AND
TAKE COMMAND.**

**RAW DESIRE.
REFINED POWER.**

From the moment you get behind the wheel of the new BMW X4 you can feel its impressive power and outstanding driving dynamics, all geared towards delivering an exceptional driving experience. Lavish in performance, it's distinctly lean when it comes to fuel consumption and emissions thanks to cutting-edge EfficientDynamics technologies and its aerodynamic design.

xLINE.

Remarkable satin-finish Aluminium details make the xLine exterior equipment package really stand out. They add a distinctive look, both to the underbody protection in the front and rear as well as to other specific elements, while the B and C pillars in high-gloss Black provide an enticing contrast. The

18" light alloy wheels in Y-spoke style 607, specific to the xLine, as well as the 19" light alloy wheels in Y-spoke style 608 with mixed tyres (shown here) are exclusively available.

The xLine equipment package charms drivers with its modern elegance. Upon opening the doors, passengers are greeted with doorsill finishers featuring the "BMW xLine" logo. The Carve cloth/leather seat upholstery in Amber/black with contrast stitching promises high comfort in the interior. Nevada leather in a whole range of attractive colours – each with contrast

stitching – is also available (shown here in Mocha with Active Red contrast stitching, and appliqué and imprint on the headrests). The interior trim is in elegant high-gloss Dark Copper and is also available with a range of different looks. A stainless steel trim on the loading sill rounds off the xLine equipment.

M SPORT PACKAGE.

The M Sport package for the exterior includes the M Aerodynamics package with front and rear bumpers – along with the rocker panel and wheel arch trims – in the body colour and also comes with the diffuser insert in Dark Shadow metallic. This sporty appearance is further enhanced with Individual Shadow Line window frames in high-gloss Black. 18" M light alloy wheels in

Star-spoke style 368 M are included exclusively in the M Sport package, but you can also choose 19" and 20" (shown here) light alloy wheels in Double-spoke style. In addition to the optional Melbourne Red metallic paint finish, as depicted here, there are also five other exterior colours available.

The M Sport package adds a sporty, exclusive ambience to the interior. The sport seats for the driver and front passenger in Pearlpoint Anthracite and the M doorsill finishers are also available in Nevada leather (shown here in Ivory White). The dynamic appearance is apparent in the whole car, from

the M leather steering, the BMW Individual headliner in Anthracite and the M doorsill finishers, to the interior trim in Fine Brushed Aluminium or, alternatively, various fine-wood trims.

BMW CONNECTED DRIVE AND EQUIPMENT HIGHLIGHTS.

□ FULL-COLOUR BMW HEAD-UP DISPLAY.

The full-colour BMW Head-Up Display projects relevant driving information directly into the driver's line of vision, allowing them to fully concentrate on driving. The information is displayed on the windscreen to ensure effective ergonomics. The display is not fully visible when wearing polarised sunglasses.

□ MUSIC/ENTERTAINMENT.

There's so much to experience while on the road in your BMW. And because the right soundtrack can transform a regular journey into an unforgettable experience, the vehicle comes with music apps that play the right song for every occasion. Whether commuting to work, going shopping or heading off on holiday, you can compile your own radio station, choose between a huge array of audio books or stream your own music – all from the comfort of your BMW with the BMW ConnectedDrive Services equipment option.

■ BMW xDRIVE.

The intelligent BMW xDrive all-wheel drive system smoothly distributes variable drive power to the front and rear wheels for maximum traction, directional stability and safety in every driving situation. The new xDrive Status displays data relevant to off-road driving in the instrument panel and the Control Display.

■ EIGHT-SPEED STEPTRONIC SPORT TRANSMISSION.

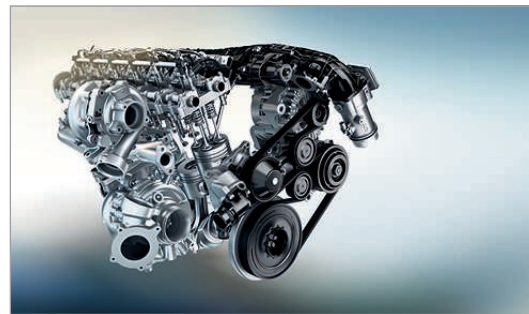

The eight-speed Steptronic sport transmission adapts to suit your individual driving style. Its range is perfect for everything from comfortable coasting through to a very dynamic driving style. In Sport mode, the gearshifts are configured for maximum performance. It is also possible to change gears manually by using the gear selector lever or the steering wheel gearshift paddles (not available with xDrive20i and xDrive20d).

□ ADAPTIVE LED HEADLIGHTS.

The Adaptive LED Headlights include low-beam and high-beam headlights and turn indicators with full LED technology. The system also features the anti-dazzle High-Beam Assistant, LED fog lights, cornering lights, daytime running lights and Adaptive Headlights with variable light control for excellent illumination of the road ahead and better visibility at night.

BMW TWIN POWER TURBO ENGINES.

BMW X4 xDrive35d.

- BMW TwinPower Turbo six-cylinder in-line diesel engine with 230kW (313hp) and 630Nm of torque
- Acceleration 0–100km/h: 5.2s; top speed: 247km/h
- Combined fuel consumption: 6.0l/100km¹
- CO₂ emissions: 157g/km¹

BMW X4 xDrive30d.

- BMW TwinPower Turbo six-cylinder in-line diesel engine with 190kW (258hp) and 560Nm of torque
- Acceleration 0–100km/h: 5.8s; top speed: 234km/h
- Combined fuel consumption: 5.9–6.1l/100km¹
- CO₂ emissions: 156–159g/km¹

BMW X4 xDrive20d.

- New-generation BMW TwinPower Turbo diesel engine
- BMW TwinPower Turbo four-cylinder diesel engine with 140kW (190hp) and 400Nm of torque
- Acceleration 0–100km/h: 8.0s; top speed: 212km/h
- Combined fuel consumption: 5.2–5.4 [5.4–5.6]²l/100km¹
- CO₂ emissions: 138–141 [143–146]²g/km¹

BMW X4 xDrive35i.

- BMW TwinPower Turbo six-cylinder in-line petrol engine with 225kW (306hp) and 400Nm of torque
- Acceleration 0–100km/h: 5.5s; top speed: 247km/h
- Combined fuel consumption: 8.3l/100km¹
- CO₂ emissions: 193g/km¹

BMW X4 xDrive28i.

- BMW TwinPower Turbo four-cylinder petrol engine with 180kW (245hp) and 350Nm of torque
- Acceleration 0–100km/h: 6.4s; top speed: 232km/h
- Combined fuel consumption: 7.3–7.4l/100km¹
- CO₂ emissions: 169–172g/km¹

BMW X4 xDrive20i.

- BMW TwinPower Turbo four-cylinder petrol engine with 135kW (184hp) and 270Nm of torque
- Acceleration 0–100km/h: 8.1s; top speed: 212km/h
- Combined fuel consumption: 7.2–7.3l/100km¹
- CO₂ emissions: 168–171g/km¹

■ Standard equipment □ Optional equipment

BMW EfficientDynamics
Less emissions. More driving pleasure.

¹ Fuel consumption and CO₂ emissions are affected by the selected wheel and tyre sizes. For more information please see the back page or consult your BMW partner.

² Values in [] refer to vehicles with six-speed manual transmission.

		BMW X4 xDrive20i ¹	BMW X4 xDrive28i ¹	BMW X4 xDrive35i ¹	BMW X4 xDrive20d	BMW X4 xDrive30d ¹	BMW X4 xDrive35d ¹
Fuel consumption²							
Fuel consumption urban	l/100km	9.0-9.2	9.1-9.3	10.7	5.7-5.8 [6.2-6.3]	6.5-6.6	6.7
Fuel consumption extra-urban	l/100km	6.1-6.3	6.2-6.3	6.9	5.0-5.1 [5.0-5.1]	5.6-5.7	5.5
Fuel consumption combined	l/100km	7.2-7.3	7.3-7.4	8.3	5.2-5.4 [5.4-5.6]	5.9-6.1	6.0
CO ₂ emissions combined	g/km	168-171	169-172	193	138-141 [143-146]	156-159	157

¹ Standard with eight-speed transmission Steptronic (X4 xDrive20i) or eight-speed Steptronic sport transmission (X4 xDrive28i, xDrive30d, xDrive35i und xDrive35d).

² Fuel consumption figures are determined according to the ECE driving cycle, which consists of approximately one-third urban traffic and two-thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. The lowest fuel consumption figures were measured in a car fitted with 17" light alloy wheels Streamline style 306 (optional equipment). Optional equipment may influence fuel consumption.

Values in [] refer to vehicles with the six-speed manual transmission.

The models illustrated in this brochure show the specifications for vehicles produced by BMW AG for the German market. In part, they include optional equipment and accessories not fitted as standard. According to the specific requirements of the markets of other European Union member states, alterations in models, standard and optional equipment, as described in this brochure, may occur. For more precise information about country-specific vehicle versions, please contact your local BMW partner. Subject to change in design and equipment.
