

CAPTIVA 2015

CHEVROLET

FIND NEW ROADS™

CHEVROLETARABIA.COM

2015 CHEVROLET CAPTIVA.

Under the new Captiva's sculpted hood, a choice of two gasoline engines feature the latest technology that combines performance and fuel economy, boasting automatic six-speed transmissions for a powerful, yet smooth ride. Choose a front or active on-demand, All-Wheel-Drive configuration and discover how Captiva adapts naturally to your driving style, granting you effortless control over any road.

FIND NEW ROADS™

**READY
TO GO.**

**READY TO
ENTICE.**

Wherever your life is going to take you, Captiva's sweeping lines stand out in any crowd. Its style, highlighted by the

redesigned front and rear, the dual grille mesh and the LED tail lamps, makes a statement of timeless elegance balanced

with just the right hint of power. A compelling blend that runs in Chevrolet's

DNA and that Captiva inherited from Corvette and Camaro.

ENVY IS GOOD.

The Captiva, with its Corvette lineage, is designed to be noticed. Something you'll experience the moment you get behind the wheel.

AN EYE FOR DETAIL.

1. The new-look front headlamp and fog-lamp combination light the way for others to follow
2. The rear of the Captiva boasts its Camaro inspired tail lamps and aggressive contours
3. Even the exhaust of the Captiva shouts power, performance and aggressive attitude

INTERIOR DESIGN

ROOM FOR IT ALL.

The spacious cabin of the Captiva was specifically designed so that you would always be able to bring your life with you on any journey.

ROOM WITH A VIEW.

1. The 60/40 split folding rear seats offer up a host of convenient cargo options

**READY FOR
THE GOOD LIFE.**

Captiva's spacious and comfortable interiors have been specifically designed to accommodate the driver and up to six passengers, providing you and your family with the best driving experience. Set the perfect temperature with the Dual

Climate Control and make the most of the Rear Park Assist, the 8-way driver power seat, Bluetooth®, cruise control and the Keyless-Entry and Start systems.

The Captiva's versatile attitude and 360° engineering give it a real 'life-proof' ride – able to deal with the unexpected and designed with a solution for each problem life might throw at you. Like the Electric Park Brake that allows for extra storage

space; the three rows of seats to take your family and friends on any adventure, the passenger seat folding flat with 60/40 rear seat split to hold all of your cargo and the second row heated seats for extra comfort in every situation.

TECHNOLOGY

READY TO ENTERTAIN.

The Chevrolet Captiva is not just about looking good and performing exceptionally well, it also has the

enjoyment of everyone onboard in mind. The Captiva's available 8-speaker system is pushed to its limits through the built in

radio/CD/MP3 player housed neatly in the center console. This intuitive system even allows users to connect their

smartphones via USB or Bluetooth™ to access their favorite playlists from any seat.

1

SIMPLE INTUITION.

The Captiva is a vehicle designed with you in mind. As a result, a host of features were created to make every journey an absolute pleasure.

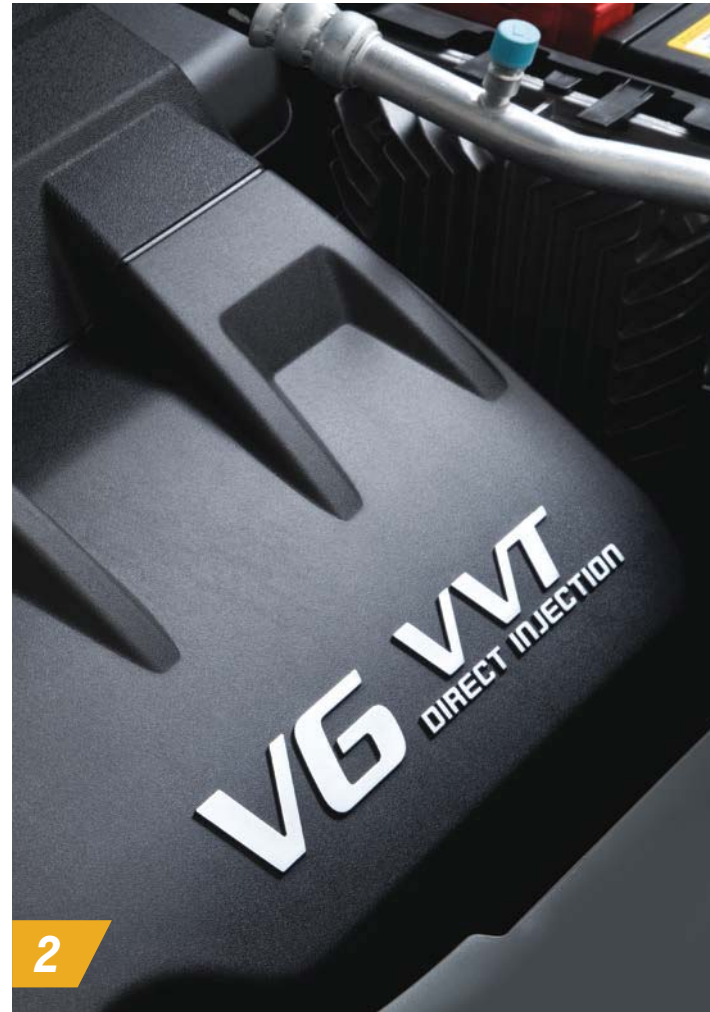

IT'S CLEVER WHERE IT COUNTS.

1. The Chevrolet Captiva features a Rear-View camera that activates the moment the vehicle is in reverse

STAR PERFORMER.

Getting from A to B should be an experience, not just a commute. Which is why the Captiva is engineered to excite.

READY TO IMPRESS.

- 1. The Chevrolet Captiva offers impressive fuel-efficiency on both highways and city streets*
- 2. The Captiva boasts on demand All-Wheel-Drive to conquer any conditions the road brings your way*

Under the new Captiva's sculpted hood, a choice of two gasoline engines feature the latest technology that combines performance and fuel economy, boasting automatic six-speed transmissions for a powerful, yet smooth ride. Choose a front or active on-demand four-wheel drive

configuration, and discover how Captiva adapts naturally to your driving style, granting you effortless control over any road.

Captiva has been designed to take on the great outdoors with ease and confidence.

Follow the road, wherever it may take you and make the most of Captiva's versatile soul. On demand All-Wheel-Drive to claim control of the road; Electronic Stability Control (ESC) the Traction Control System (TCS), the Braking Assist System (BAS), Hill Start Assist (HAS) to prevent roll-

backs on hill-starts and Hill Descent Control (HDC) that automatically slows the vehicle on steep gradients.

SAFETY

Chevrolet Captiva is reassuringly equipped with a high level of safety features. To start with, it includes front, side and curtain airbags; making a total of

six airbags to protect the driver, front passenger and rear passengers. Additional features include Hill Start Assist, to prevent roll-backs on hill starts,

along with the Hill Descent Control system, that automatically slows the vehicle on steep gradients. With Captiva,

you'll always feel safe and more importantly, so will your family.

**READY
TO PROTECT.**

SELECT VEHICLE FEATURES

CAPTIVA LS FRONT WHEEL DRIVE
Engine, 2.4L DOHC 4-cylinder, MFI, aluminum

CHILD SAFETY

CHOOSING THE RIGHT CHILD SEAT

REAR-FACING: THE SAFEST WAY FOR NEWBORN BABIES TO TRAVEL

FOR INFANTS AGED FROM 0-12 MONTHS / UP TO 13KG

Newborn babies must travel in a rear-facing seat. To secure the seat, adjust the harness so the webbing comes through the harness slots behind or below the baby's shoulders. For convenience, you can purchase a base that fits into the car with detachable carrier. Many infant seats also fit into a stroller.

FORWARD-FACING: THE SAFEST WAY FOR TODDLERS TO TRAVEL

THE NEXT STAGE – FOR INFANTS AGED 9 MONTHS – 3.5 YEARS / 9KG TO 18KG

These bigger seats allow children to ride forward facing. They are still used semi-reclined to keep the baby's head on the headrest and its airway open. Harness straps still come from behind or below the shoulders.

TODDLER SEATS – FOR CHILDREN AGED 3.5 – 12 YEARS / 15KG TO 36KG

These seats face forward in an upright position and the shoulder straps come from harness slots that are placed at or above the shoulders.

BOOSTER SEATS: THE NEXT STEP BEFORE SEATBELT USE

BACKLESS BOOSTERS – FOR CHILDREN FROM 21KG TO 45KG

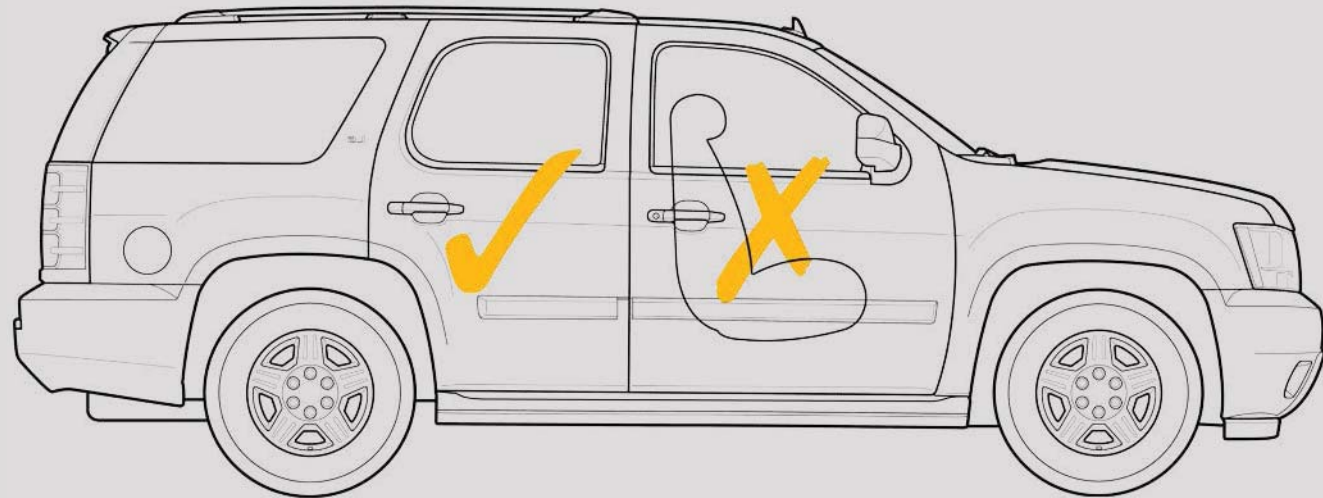

These booster seats have no back and must be used with a lap and shoulder belt system. The lap belt should sit low on the hips; the shoulder belt should rest on the collarbone and not cross the face or neck.

HIGH-BACK BOOSTERS – FOR CHILDREN FROM 21KG TO 45KG

This type of booster seat has a back and, sometimes, side wings near the head. It must be used with a lap and shoulder belt system. This is a good type of seat if your child falls asleep in the car.

Always keep infants and children under 12 in the back seat.

COMPETITIVE & TRANSPARENT SERVICE COSTS

Chevrolet Care offers you one of the most competitive cost of maintenance in the market. Our service advisors also ensure that you are always made aware of every charge involved in your Chevrolet's scheduled service. So when you hand over your keys you know exactly what the service is going to cost you.

QUALITY SERVICE BY CERTIFIED TECHNICIANS

You deserve the best for your car. That's why Chevrolet Care employs specialized Chevrolet Certified Technicians to service your car using only genuine Chevrolet parts, thereby preserving its life and residual value. Additionally, there are many services that Chevrolet Care will offer you to ensure your complete satisfaction when you leave the service center.

When you buy a Chevrolet, you don't just take home a new car. You also enjoy the peace of mind that makes driving your Chevrolet a pleasant experience.

MIDDLE EAST VEHICLE TESTING

Every Chevrolet is tested in the region, so we know it can withstand the climate. Then, before launch, we check and double-check every inch of the vehicle for optimal performance. Chevrolet specifically develops many of its features—including its air conditioning, engine cooling systems, and paint—to perform in tough conditions. The result is a car you can depend on.

COURTESY VEHICLE PROGRAM **

Chevrolet strives for your convenience. In the unlikely event of a warranty repair involving extended repair times, you may be offered a suitable courtesy vehicle for your convenience.

CHEVROLET CARE
OUR COMMITMENT TO YOUR PEACE OF MIND

SCHEDULED SERVICE APPOINTMENT BOOKING WITH SAME DAY DELIVERY

At Chevrolet, we value your time as much as you do. That's why Chevrolet Care offers a convenient booking system with a same day delivery promise on all scheduled maintenance services. Our professional advisors also keep you updated on service progress so you know exactly when to collect your vehicle.

3 YR / 100,000KM WARRANTY 24x7 ROADSIDE ASSISTANCE*

Chevrolet Care ensures that every Chevrolet comes with a comprehensive 3 YR / 100,000KM Warranty and Regional Roadside Assistance, 24 hours a day, 365 days a year. So that wherever you go, we're always there to support you.

CHEVROLET PARTS

Chevrolet's region-wide dealer network is supported by a well-stocked parts distribution center, ensuring constant availability of parts to keep your vehicle on the road.

Chevrolet parts are priced to ensure low cost of maintenance and at the same time guarantee that you get genuine parts at competitive prices.

CHEVROLET CERTIFIED PRE-OWNED VEHICLES

All of our certified pre-owned vehicles come with the confidence of:

- A 110+ point quality inspection
- A minimum 12-month warranty
- 24-hour roadside assistance
- A 7-day exchange option

* Conditions apply. Refer to the warranty booklet supplied with your Chevrolet for the complete warranty policy.

** Conditions apply.

COST OF MAINTENANCE

MINIMAL MAINTENANCE. MAXIMUM ENJOYMENT.

Captiva delivers affordability well beyond the showroom floor—it's been designed and engineered with minimal-maintenance features that keep you on the road for less.

The cam drive, cam phasing and valvetrain components require no scheduled maintenance.

The sophisticated cam-chain tensioner, high-quality cam phasing components and hydraulic lash adjusters are designed to ensure optimal valvetrain performance with no adjustment for the life of the engine.

Advanced control electronics and a wide range of sensors allow fail-safe systems, including ignition operation in the event of timing sensor failures.

Control software protects the engine from permanent damage in the event of complete coolant loss, allowing the engine to operate at reduced power for a prescribed distance sufficient for the driver to find service.

SCHEDULED MAINTENANCE

To complement Captiva's intelligent and protective engineering, regular scheduled maintenance will keep it running further and longer. To keep your SUV in perfect condition, work should be carried out at regular intervals, according to the recommendations in your owner's manual.

MENU PRICING

As time and kilometers pass, certain wear-and-tear items will need replacing. Whether it's wiper blades, shock absorbers, or brake pads, it's all covered in Menu Pricing, and our competitive prices will help you keep your Captiva on the road with minimal cost. Check with your dealer for details or log on to chevroletarabia.com.
